P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper memorializes a series of conversation conducted between the undersigned and Examiner Anish Gupta on October 26, 2007 and at least one other occasion in late November or Early December regarding allowed claims in the above referenced application. Applicants held, and Examiner agreed, that claim 35 was also to be included in the allowed claims, and on both occasions Examiner stated that he would provide a new Notice of Allowance to that end. As of today, December 21, 2007, Applicants have not received a Corrected Notice of Allowance and one is not contained in the Image File Wrapper in PAIR.

Applicants respectfully request that a Corrected Notice of Allowance be issued in this application, which includes claim 35 as was agreed to, or that The Office provide some other indication that claim 35 will be included in the issued patent claims.

The Commissioner is hereby authorized to charge any fees in connection with this application and to credit any overpayments to Deposit Account No. 14-1447. The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,
